presents

# BEAUTY *and the* BEAST

*by Stephen Duckham*

7th-10th December 2022 — Culter Village Hall

# Beauty and the Beast

We're finally back!

After a three year break, this will be Culter Theatre Club's 30th Annual Panto, and we're delighted to be able to entertain you once again, with our presentation of Beauty and the Beast.

You would usually find me on stage, however this year is my first time directing and it's been such a privilege to be able to work with such talented people, young and old, on stage and off. It has been a delight seeing everything come together, and the hard work, perseverance and dedication of everyone has created a fantastic show which I hope you will enjoy.

It's wonderful to see local talent flourishing—which is exactly the aim of community theatre groups like ours, and we rely on your support—our wonderful audiences—to make that happen, so a big thank you to you too.

So now sit back, relax and prepare to be transported to the village of Prettybelle for the tale of Beauty and the Beast...

*Colin Jones (Director)*

I want to say a big thank you to you, our audience, for coming back to see us again. It's amazing for us to be back in front of you after such a long absence.

Another group I want to thank is all the people you don't (or shouldn't) see during the show. They're the backstage crew who do costumes, make-up, set building and painting, sound, lights, special effects, moving set and much more!

All of these things are done by our talented crew; without them there would be no show. If you are interested in helping out, please let us know — we are always on the lookout for talented people on and off stage.

If you have no previous experience, that's fine, we can show you the ropes so to speak. Get in touch and I would be delighted to have a chat and show you around.

I hope you enjoy the show and I would love to hear your comments — please find us on Facebook and let us know.

*Kerwin Robertson*

*Chairman, Culter Theatre Club.*
