Jack & His Amazing Beanstalk

Welcome Everyone!

This is Culter Theatre Club's 29th Annual Panto! What an achievement for our club due entirely to the amazingly loyal support over the years, from all of you.

Thank you from all of us!!

Jack and his Amazing Beanstalk is the story we all know but with a few twists and turns along the way.

We have a dastardly, egotistical, money-grabbing Baron (sound familiar?), a lovelorn Dame, a feisty Eco-Warrior and a cow—what a cow!!! A cow like you have never seen before or are ever likely to again!!!

All this interlaced with some great music, some very nifty footwork and a load of laughs... and, of course, a chance for you to join in the fun!

Thanks for coming along and enjoy the show!

Jen Cowie (Director)

There are a whole team of people involved that you will never see, but without them we would never be able to put on these shows every year. They're choreographers, musical directors, dressmakers, prop makers, lighting and sound designers, set builders and painters. It's a huge effort every year, but it's also a huge amount of fun and very rewarding when you watch the show and can say "I helped make this happen".

During auditions we often get lots of people for the cast and chorus, but we also want to encourage people who might be interested in the 'unseen' jobs too. If you think you can help us, whatever your talents are, or would like to get involved, make new friends and learn new skills, please do get in touch. I would be delighted to have a chat and show you around.

I hope you enjoy the show and I would love to hear your comments — please find us on Facebook and let us know.
