# THE WIZARD OF OZ

## Welcome to Culter Theatre Club's 23rd Annual Pantomime

It's that time of year again, where you get to cheer the goodies, boo the baddies, sing along with the songs and enjoy the Culter Theatre Club's production of The Wizard of Oz.

It has been 16 years since the ruby slippers last graced the stage here and technology has progressed somewhat since then, we have some wizardly effects and dazzling new lighting to help us bring the world of Oz alive. The cast and crew have been working extra hard both on and off stage to bring the show together, as two highly valued members had to pull out due to illness; speedy recoveries to Jim and Fergus.

I just want to say a big thank you to all the people who volunteered to help, and to Jen Cowie for her hard work, advice and support.

So, on with the show, see you on the other side of the rainbow, my pretties.

### *Theatre Club News*

This year has seen the first stage of a major project to upgrade our lighting and sound systems. Improvements like this don't come cheap and could not

happen without you. Your support for the panto, and shows like 'Allo 'Allo are our lifeblood. We also had a sizeable donation from a very generous club member (who wishes to remain anonymous), and a grant from the Gala fund. The remaining money needed was raised when we hosted the afternoon teas at the Heritage Centre back in September. Barry Sherriffs and Granite City Events also provided invaluable help throughout the whole project. A huge thank you therefore goes to all of you.

Perhaps the biggest thanks though has to go to our very own technical guys, Shawn Skinner and Phil Wallace who took on the huge job of not only overseeing the project but doing the largest part of the work themselves. They are currently sitting behind you, up in the control room, show your appreciation and turn round and give them a wave!

We try to name as many as possible in the programme before it goes to print, but there are always other people who work front of house, scenery, costumes and just generally help out in many ways large and small, so this final note of thanks is for you—your hard work doesn't go unnoticed and we really appreciate everything you do!
